Our Warranty Assist Plan is intended to contribute to the repair of a failed component (part) on your newly purchased Used Vehicle. It's not to increase the value of your vehicle by replacing used parts for new.

Please read your Warranty Schedule and this Warranty Plan, especially "What's Included" (pages 3) and the "Claims Procedure" (Page 12). The cover document clearly states what's included: primarily the major mechanical parts. We are not able to include every component on your vehicle. Please check all details on the schedule and advise Warranty Assist within 7 days of any errors. Non disclosure of information may result in a claim being rejected.

If you experience a fault with your vehicle, please contact the Warranty Assist Administration Department on 0808 208 2390 option 1.

Claims Summary

Claims Telephone Number: 0808 208 2390

Claims Procedure:

When you first register a claim, our repair network will send you to a local repair workshop on the UK mainland.

Our repair network will compile a detailed diagnosis report and estimate for you. They will also obtain your MOT history. You will only need to send them your proof of last service.

If your repair is covered by the warranty, any diagnosis costs will be refunded to you immediately. Our repair network will claim the cost of covered repairs directly from Warranty Assist, so you do not have to pay for the covered repairs.

If you have exceptional circumstances (such as an out of hours or overseas breakdown) you can use any VAT registered garage. In which case you must provide:

- Diagnostic Report with estimate costs (before any work commences)
- Current MOT certificate (Copy)
- Proof of Last Service (According Manufacture's Schedule)

Pay & Claim: You will need to pay for the approved repair and diagnostic cost, then claim back from Warranty Assist.

Only components approved by the manufacturer can be covered. Any component not specifically listed below will not be covered.

What is included

Introduction

This document explains how your warranty works. Please make sure you fully understand the terms and conditions relating to the warranty and always keep this document in your vehicle, along with your customer schedule.

Your warranty will be provided by Warranty Assist. An important part of your Warranty Plan is that it operates contractually and legally on a discretionary basis. Warranty Assist uses this discretion to ensure that you, and all Warranty Assist warranty holders, receive a fair and equitable resolution to each and every request made against our Warranty Plans.

Repair Following Breakdown

This warranty is intended to pay for the cost of repairing the vehicle detailed on the customer schedule up to the limit detailed in the customer schedule following the Breakdown of any covered component. We will not pay for the repair or replacement of components, which have not suffered a Breakdown, for example, components fitted as a result of your vehicle being serviced or which were faulty prior to the commencement of this warranty. Your customer schedule details the scope of your warranty and is partly based on the application you made. Please see the section 'what is not included' for full details of what we will not cover.

Other Benefits

The warranty includes the following benefits.

Vehicle Recovery

We will pay for the cost of recovering the vehicle to the nearest Garage following Breakdown of any covered component up to £75 (including VAT).

Overseas Use

This warranty covers repairs undertaken in Great Britain and Northern Ireland. If you use your vehicle overseas for less than 60 days per year this protection is extended to cover repairs carried out overseas. You will have to pay the repairer direct and request reimbursement from Warranty Assist. EU VAT will not be refunded.

Any loss arising from your failure to have the vehicle serviced in accordance with the conditions of this warranty, or lack of routine maintenance as detailed in your Servicing Handbook, or through failure to use the manufacturer's recommended type, grade and quality of engine oil or where the cambelt has not been changed in accordance with the manufacturer's recommendations

Failure of listed components which a qualified engineer, appointed by us, believes has been aggravated due to the vehicle being driven-on after the fault was more than likely to have been apparent to the driver, or due to the vehicle being driven in an unsympathetic manner (for example repeatedly running the engine at full power before the oil has fully warmed up or repeatedly not allowing the engine to reach operating temperature before turning it off). In the case of a vehicle being driven on we will only be liable for the reasonable repair costs the engineer believes would have resulted if the vehicle had been stopped at the earliest opportunity.
23. Consequential loss of any kind including but not limited to consequential damage or loss to a covered part or component as the result of a failure of another part or component.

General Conditions

This warranty is subject to the following conditions:

1. Servicing - In order to maintain the validity of your warranty you must have the Vehicle serviced by a VAT registered repairer and look after the Vehicle in accordance with the manufacturer's Servicing Handbook and ensure that the manufacturer's recommended type, grade and quality of engine oil is used. To prove this you should make sure the garage fills in and stamps your Servicing Handbook. You should also keep all service invoices (which you must ensure detail the exact oil specification used) as you must verify that correct servicing has been completed when repairs are made under the warranty. You should also ensure that the cambelt is changed in line with manufacturer's recommendations (documented proof of this will be required in the event of a claim for cambelt failure). A maximum allowance of 30 days or 1,000 miles (whichever occurs first) in excess of the manufacturer's stipulated time or mileage for scheduled servicing is permitted.
2. MOT - You must have a current and valid MOT. A current MOT certificate is a valid document issued by an authorized MOT testing center, confirming that a vehicle has passed the Ministry of Transport (MOT) test. This test ensures that the vehicle meets the minimum road safety and environmental standards required by law in the UK.

For a certificate to be current, it must be within its validity period (usually one year from the date of the last test) and not expired. The MOT status can be checked online using the vehicle's registration number.

3. Procedure for refunds and recovery of repair costs – This procedure is detailed on page 13.

You must follow this procedure, and request repairs within 7 days of noticing any issue, as failure to do so may result in non-reimbursement of your repair.

4. Repair Authorisation - No repairs are to be commenced until we have given authorisation and issued an authorisation number.

5. Investigation Costs - It is your responsibility to give the repairer permission to commence exploratory, investigation or dismantling work to establish the primary component failure and cause of the primary component failure and to pay the costs if such work proves that the fault is not our responsibility. Any exploratory, investigation or dismantling costs will only be reimbursed if they are part of a valid repair. You will be asked for a reasonable deposit against workshop costs for stripping and reassembling components under investigation or to agree to remove the car from the workshop by a certain deadline if the claim is declined following investigation or dismantling.

6. Use of Engineers - we reserve the right to instruct an independent engineer to inspect your vehicle before authorising any repair. When this right is exercised we shall have no liability for any loss to you arising from any possible delay. Should you decide to give permission to the repairer to commence repairs, without authorisation being obtained from us, you do so in the full knowledge that we may not meet the cost of your valid repairs because you have denied us our right to inspect the vehicle prior to its repair.

7. Contribution - It is not the intention, implied or otherwise, of the warranty to make new vehicles from old. Where replacement components are fitted to replace old worn components which have suffered a breakdown, this results in your vehicle being in a better condition than it was before the breakdown, so you are required to pay a contribution towards the cost of the repairs. For vehicles older than 6 years or with more than 60,000 recorded miles this warranty will provide cover based upon the limits detailed in the customer schedule and in accordance with the following table based upon vehicle age and mileage at time of failure.

Contribution Scale:

Age or Mileage Contribution	Your Repair (Parts & Labour)
Up to 6 Years or 60,000 miles	0%
Over 6 Years or 60,000 miles	20%
Over 7 Years or 70,000 miles	30%
Over 8 Years or 80,000 miles	40%
Over 9 Years or 90,000 miles	50%

The mileage limits as stated above are the total miles from the date of the vehicle's first registration for use on the road.

Where a vehicle has high mileage for its age, the mileage will be used to determine the contribution scale that is applied to your claim. Where the vehicle has low mileage for its age, the age will be used to determine the contribution scale that is applied to your claim.

The repair contribution is applied to the net cost of repair excluding VAT.

Option to purchase 100% Parts & Labour Cover available at start of cover (only available to vehicles with less than 110,000 miles), contact Warranty Assist for more information.

8. Claim Decision - If we offer to cover a claim and the repair is not completed within 30 days the offer is automatically withdrawn and will not be paid.
9. Return of Warranty Cost - No return of your warranty charge can be made if a repair has been accepted under the warranty or if you sell the vehicle.
10. Transfer of warranty - You may transfer the warranty to the new owner provided that you have paid the Transfer fee as stated in your warranty summary.
11. Fraud - If any repair request is found to be fraudulent or if any fraudulent means or devices have been used by you or anyone acting on your behalf we will not repair your vehicle or return any costs.
12. Cancellation -we may cancel the warranty by sending 14 days notice in writing direct to you by Recorded Delivery to your last known address. A proportionate return of your warranty charge will be given.
13. If, having purchased a warranty from Warranty Assist you decide to cancel it; simply notify us within 14 days of the inception date and we will refund you in full. If you request cancellation at any time after 14 days we will use the table that follows to calculate a refund for the current year of cover and we will refund any future years in full. We will then deduct an

administration charge of £30 from the amount due to you. We will refund the balance from payments you have made towards the plan. Warranties are not able to be refunded if a claim has been already submitted.

Period of time you have had the fixed period plan, up to:	Credit Against Total Due
one month	80%
two months	70%
three months	60%
four months	50%
five months	40%
six months	30%
seven months	20%
more than seven months	0%

14. Renewal of cover - When your Warranty expires you may be able to obtain an extension to this Cover. You will need to contact us before your warranty expires. Please call Warranty Assist on 0808 208 2390 or write to them at the address on page 2 of this warranty document.
15. Using your information for marketing purposes – Warranty Assist may use your information in order to select and tell you about products and services available from them or from other companies in their Group that may be of interest to you. We may share your information with Warranty Assist for analysis, marketing purposes or so that they may contact you about their own products or services. Warranty Assist may also use your

information to tell you about products and services that they can introduce from selected businesses outside their Group. Visit the Privacy Policy page on our website for full details.

You have the right at any time to ask us not to contact you or give your details to others for these purposes. You may email us at dealeradmin@warrantyassist.co.uk if you wish us to stop.

You also have the right at any time to ask us not to telephone you for sales purposes. Again, you may email us at dealeradmin@warrantyassist.co.uk if you wish us to stop.

16. Healthchecks - Health check inspections are a visual inspection of the vehicle, not a comprehensive investigation and do not guarantee to find all faults with the car. No terms are affected in anyway by the health check.
17. Economic repair - We reserve the right on repairs we are paying for to move your vehicle at our cost to a repairer of our choice if we can affect a repair more economically. We reserve the right to repair rather than replace components at our discretion. Where we have exercised our right to complete an economic repair we will warranty this work for 12 months.
18. Dealer Wrap - When you make a claim for a fault that can have developed in the first 6 months of a dealer wrap plan you will only be able to make a claim if you have sent a letter to the dealer that sold you the car requesting they pay for the repairs under the consumer rights act and had a valid decline in writing.

Data Protection Act 2018

For the purposes of the Data Protection Act 2018, we are the Data Controller in relation to any personal information you supply.

19. Telephone calls - Some telephone calls may be monitored or recorded. This is for the purposes of maintaining and improving service standards, training staff and assisting in customer queries and appeals.
20. English Law - This plan is governed by English law. Contractually and legally this plan operates on a discretionary basis. It is not a contract of insurance and so falls outside the jurisdiction of the Financial Conduct Authority. The body governing this type of agreement is the Trading Standards Institute. Any legal proceedings will be held in the courts of England and Wales.
